

The Remit of the ACP Employment Standards Group August 2021

- 1) To provide advice and guidance to ACP members and employers on all matters related to the recruitment and employment of child psychotherapists in the public sector, and in private and third sector organisations.
- 2) To meet six times a year to discuss matters related to employment standards
- 3) To co-ordinate a group of appropriately experienced and informed child psychotherapists who can act as independent assessors to the recruitment processes for relevant child psychotherapy posts.
- 4) To feed relevant information to the Professional Standards Committee (PSC) meetings (six times a year) and report to the PSC on activity within the Employment Standards Group.
- 5) To liaise closely with ACP union representatives in relation to NHS employment of child psychotherapists.
- 6) In conjunction with other appropriate members of the Professional Standards Committee, the Employment Standards Group and the union, to contribute to training events to assist ACP members to prepare for their roles in public/private and third sector organisations, and the associated recruitment process.
- 7) To communicate with ACP members about relevant employment standards issues.
